

## OUR MISSION

At Gyanishtha Institute, we are more than just an educational institution; we are a creative hub, a melting pot of innovation, and a launchpad for artistic and technological excellence. Our passion lies in nurturing talent and guiding aspiring individuals towards fulfilling careers in the fields of animation, video editing, and gaming.

## OUR GOAL

Gyanishtha Institute envisions a world where creativity knows no bounds, where imagination can be brought to life with the click of a mouse, and where the boundaries of reality and fantasy blur seamlessly. We aim to be a driving force in this vision by empowering our students with the skills and knowledge they need to be the trailblazers of the digital age.

## OUR VISION

Our advanced courses in Graphic Design, VFX and Video Editing are designed to equip aspiring filmmakers, video editors and visual effects enthusiasts with the skills and knowledge needed to excel in the world of digital media. Whether you're looking to launch a career in the film industry or enhance your video editing skills, our courses offer comprehensive training to help you succeed.

Our vision is to be at the forefront of artistic innovation, pushing the boundaries of animation to create visually stunning and conceptually groundbreaking content that inspires and astonishes audiences worldwide.

We envision a world where animation serves as a universal language, facilitating cultural exchange and understanding. Through our work, we aim to bridge cultural gaps, fostering harmony and appreciation among diverse communities.

Our vision is to empower storytellers from all backgrounds to unleash their creativity through animation. We strive to provide accessible tools, resources, and platforms that enable aspiring animators to share their unique stories with the world.

## ADVANCED COURSES IN ANIMATION AND GAMING

JOIN US FOR THE  
REMARKABLE JOURNEY IN  
THE SPACE OF TECHNOLOGY  
BY PURSUING YOUR CAREER  
IN ANIMATION | VISUAL  
EFFECTS | GAMING

Animation is not the art of drawings that move but the art of movements that are drawn

think of animation as the ultimate art form, because it embraces all art forms. It embraces painting, drawing, writing, music, and dance
